

VET CENTER

Who We Are

We are the people in VA who welcome home war veterans with honor by providing quality readjustment counseling in a caring manner. Vet Centers understand and appreciate Veterans' war experiences while assisting them and their family members toward a successful post-war adjustment in or near their community.

VET CENTER HISTORY

The [Vet Center Program](#) was established by Congress in 1979 out of the recognition that a significant number of Vietnam era vets were still experiencing readjustment problems. Vet Centers are community based and part of the U.S. Department of Veterans Affairs. In April 1991, in response to the Persian Gulf War, Congress extended the eligibility to veterans who served during other periods of armed hostilities after the Vietnam era. Those other periods are identified as Lebanon, Grenada, Panama, the Persian Gulf, Somalia, and Kosovo/Bosnia. In October 1996, Congress extended the eligibility to include WWII and Korean Combat Veterans. The goal of the Vet Center program is to provide a broad range of counseling, outreach, and referral services to eligible veterans in order to help them make a satisfying post-war readjustment to civilian life. On April 1, 2003 the Secretary of Veterans Affairs extended eligibility for Vet Center services to veterans of Operation Enduring Freedom (OEF) and on June 25, 2003 Vet Center eligibility was extended to veterans of Operation Iraqi Freedom (OIF) and subsequent operations within the Global War on Terrorism (GWOT). The family members of all veterans listed above are eligible for Vet Center services as well. On August 5, 2003 VA Secretary Anthony J. Principi authorized Vet Centers to furnish bereavement counseling services to surviving parents, spouses, children and siblings of service members who die of any

cause while on active duty, to include federally activated Reserve and National Guard personnel.

We understand, and most of all, we care.
